

REHOMING A PET

Checklist

INFORMATION TO PROVIDE

- ☐ Name of Pet
- ☐ Breed(s) if known
- ☐ Age of Pet
- ☐ Medical History (attach records if possible). Include the animal's last known weight and if they are spayed/neutered

- ☐ Reason(s) why rehoming - be specific and truthfull!
- ☐ Provide any behavioral issues or concerns
- ☐ Does the pet do well with children?
- ☐ How does the pet do around other animals?

- ☐ Is the animal kept primarily inside or outside?
- ☐ Is the animal potty trained?
- ☐ How did you obtain the animal?
- ☐ Provide several pictures (full face view, side profile and etc.)

CONSIDERATIONS

The more details and information you can provide the better. This helps the rescue know if they could bring the animal into their program. Please be as honest as possible. If you obtained the animal from a rescue, please check with the rescue first to see if they can take the animal back. Reputable rescues will take a rescue back. If you obtained the animal from a breeder, the breeder should also take the animal back.
